LAX PRIVATE JET SERVICE
powered by **SKYBRIDGE PRIVATE AIR**

SkyBridge Private Air, LLC is not a direct "air carrier" and has no authority from the DOT, FAA or any other governmental agency to operate any aircraft and is not engaged in the business of maintaining, owning, chartering, repairing or evaluating the physical condition of any aircraft. SkyBridge is in the business of providing (1) charter brokerage services to assist you in obtaining air services from a properly licensed air carrier and (2) other services on your behalf.
